

**Advent Service of Lessons and Carols in Procession
December 10 at 10am**

The Advent Service of Lessons and Carols in Procession will be held on the Second Sunday of Advent, December 10 at 10am. The Levy Choir School combined with our staff singers will lead us in this traditional service. The service will follow with a light luncheon, wreath-making, and fellowship. This service is part of the long tradition in the English Church of vivid Advent services, whose purpose is to help us prepare for the celebration of the birth of Jesus. Much of the service is drawn from ancient sources. Some of these images have been used from the beginnings of Israel, through the period of the New Testament and early Church, on through the Middle Ages to the present day. Every age has found in them a new richness through which God's continuous mercy can be seen.
